

APPLIANCE TROUBLESHOOTING

\$85 PER PERSON

Thursday

APRIL 4, 2025

9:00AM - 4:00PM

CHADWELL SUPPLY

6611 CABOT DRIVE
CURTIS BAY, MD 21226

CLASS DESCRIPTION

**PRESENTING
SPONSOR:** 

Appliance Troubleshooting and Repair seminars provide students with the skills and experience to service major appliances.

There is both classroom and hands-on instruction. Students learn tips and ideas to work more efficiently, trouble-shooting techniques from assembly to electrical schematics, and how to read and understand error codes to make them a better technician.

Modules include: Washer & Dryer, Stove, Refrigerator, Dishwasher

Attendees, please bring hand tools.

Registration Fee Includes Lunch.
