The Floorwash's high-speed cylindrical brushes ensure that every surface is perfectly cleaned, fully recovering any type of liquid present on the floor. The innovative front brush allows you to effectively clean within 5mm along the edge of wall and reach the most difficult corners. The Floorwash is for everyone! Thanks to the practical height-adjustable tank, you can select three different positions, for everyone's comfort. The process is quick and easy with Floorwash and only takes a few minutes to change the brushes.
