RAPID RENOVATIONS MADE EASY

Six3Tile® Pro Kits make it quick and easy for apartment renovators to turn over freshly updated, rent-ready units to new residents. Our large format tile panels provide a simple, interlocking design that eliminates the need for tile-per-tile spacing and can be grouted immediately - saving time and money.

Six3Tile Pro Kits include everything you need at a fraction of the time of traditional ceramic tile projects. Each Pro Kit includes enough tile panels to renovate a typical apartment kitchen or shower surround. Six3Tile is striving to simplify the tiling experience, providing rapidly renovated kitchens and bathrooms with modern, luxury tile.

BACKSPLASH PANEL

19"

47"
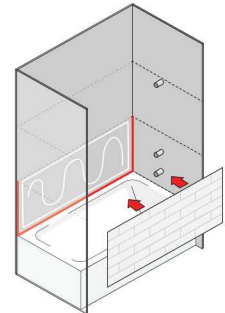

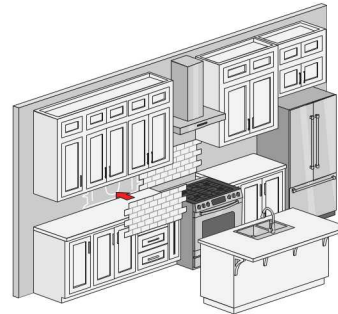

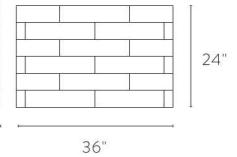

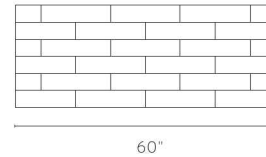

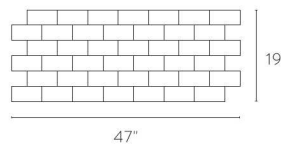

Backsplash Pro Kit
5 Backsplash Panels

SHOWER/TUB BACK WALL*

60"

Shower Surround Pro Kit
4 Back Walls + 8 Side Walls

**SHOWER/TUB SIDE WALL***

24"

36"

Tub Surround Pro Kit
3 Back Walls + 6 Side Walls

*Shower + Tub walls come in multiple widths (36", 48", 60", 72") to accomodate multiple shower + tub sizes. Side walls can be cut down on-site to fit shallower shower + tub applications.
