PRODUCTS FOR ROI

From appliances to lighting and HVAC to plumbing, we focus on modern, cost-effective products that will maximize return on investment. Plus, many of our products have energy and water saving features that will make your property greener and generate long-term savings in terms of both cost and energy.

With CHADPak, you no longer have to receive multiple deliveries (and invoices) for renovations!

Our proprietary CHADPak delivers ALL the trim items for a unit renovation in ONE BOX labeled by unit. Ensuring all the products are available when needed.

CHADPak can also be fully customized to meet your needs and invoiced by unit to make accounting and record keeping a breeze.
