Denise Blessing

Territory Sales Manager, Columbus, Ohio

Denise has been with Chadwell Supply for nine years. Denise heads up a super sales trio serving customers in Columbus with her husband, Gary, and her son, Brett.

Denise is grateful to be with a company that treats you like family and gives her, as a woman, the chance to succeed alongside her male peers.

Denise's advice for ladies new to multifamily:

"Having a servant's heart is a must in my book! To grow and achieve, you must want to go the extra mile and stand out in a good way!"
